## PROFESSIONAL EXPERIENCE

### HARMONY SOLUTIONS

2017 - Present

#### WEB DESIGNER/UX DESIGNER & UI DEVELOPER

Harmony Solutions is my design studio. Over the last 2 years, I have served countless firms across the world. All through my professional experience, I have used and continue to use the name Harmony Solutions to deliver work as a UX Designer & UI Developer (Web Designer).

### HOOLOOL

2011 - 2012

#### WEB DESIGNER/UX DESIGNER & UI DEVELOPER

Hoolool is a Web Development company that is based in Libya. I have worked for them for two years as a full-time offshore Web Designer/UX Designer & UI Developer from my own place in Egypt.

### AKN CANADA

2008 - 2011

#### UX DESIGNER AND THEN A PROJECT MANAGER

AKN Solutions is a renowned Canadian company with a branch in Cairo, Egypt. I have proudly served the firm as a UX designer for two-years. I was promoted to the position of Project Manager after the higher authorities of the company were assured of my ability to manage major projects.

### FREELANCE

2006 - 2008

#### GRAPHIC & WEB DESIGNER

Freelance graphic and web designer for print and outdoor materials as well as website layout design. During this time I involved in several internships in several small-size advertising and web companies.

## EDUCATION

### AIN SHAMS UNIVERSTY

2003 - 2007

#### BACHELORS IN ARTS

**Major:** Behavioural Psychology

With a specialty in behavioural psychology, I have learnt how individuals tend to behave and react to and in varying situations, the thing which helps me a lot with the UX Design (User Experience Design)

### SELF LEARNING

2004 - Present

#### UX DESIGN AND UI DEVELOPMENT

As a self-learner, I have learnt about and understood the complexity of web designing and development. Considering that I hold a special degree in behavioural psychology, I have long been able to create websites bearing people's behaviour in mind. My degree in behavioural psychology has helped me to create and develop websites in such a manner that it would make the visitors respond to the required call to action.
